RACELAND UNITED PENTECOSTAL CHURCH NEWS

Praise the Lord everyone! We thank the Lord for our Sunday School drive. Karen Russell, the girl who won for bringing the most people to Sunday School has been in the hospital the past three weeks. She always has a praise for the Lord and a smile for everyone. We pray that the Lord will use her for His glory and that His will, will be done in her life.

Bro. & Sis. Wright have returned from the Conference with many good things to tell of the Lord and His great power. How the deaf and dumb received the Holy Ghost and spoke in Tongues for the first time in their life.

Pray for us at Raceland that we may be found always doing the will of the Lord. Greater is he that is in us than he that is in the world.

MOREHEAD AND HAYS CROSSING UNITED PENTECOSTAL CHURCH

Our plans for the new building are progressing just fine. We now have two sets of plans and our building permit.

The CENTER OF INTEREST and TEAM TEACHING is progressing just fine. Our team of teachers include Bro. Kermit Ferguson, Bro. Donald Lacy, Bro. Lloyd Dean, Sisters Fern Ferguson, Arvetta Dean, Shirley Lacy, Barbara Flannery, Kathleen Cales, and Susie Dean.

Rickie and Mike Cales have been named to our Youth Usher Board.

David Lloyd Lacy, son of Bro. & Sis. Lacy is our newest addition to the church.

Pray that Sister Doris Rice and Sister Austie Flannery and Bro. Mike Cales will receive the Holy Ghost.

We have had several visitors lately attending our services.

We have now added Wednesday night Evangelistic services at Hays Crossing and Bro. Walter Cales is conducting these.

COVINGTON APOSTOLIC CHURCH NEWS

We in Covington would like to say we are being blessed by our God. One of our singing groups (The Gospellettes) went to the General Conference in Atlantic City, New Jersey, to represent Kentucky.

Bro. Pennington, our pastor and some of the saints also went. We would like your prayers for us in Covington. Here is a thought I would like for you to keep in mind.

"If everyone in this church were just like me,

what kind of church would this church be?"

Thanks to each of you listed above for making this report possible. Your faithfulness in supporting HOME MISSIONS is greatly appreciated.

I feel that it would be well to express appreciation to all the Home Missionaries and their wives who are working so hard in their respective locations to attack the forces of Satan and preach the Gospel of Jesus Christ. It seems more all the time that to be a Home Missionary must be a special call of God. The road is not easy for the Home Missionary, he must toil, sweat, cry, pray continuously, work constantly, labor faithfully with very, very few words of encouragement and thanksgivings from those about him. And he is often disappointed, but takes courage in the faith that there is a better reward beyond this life. Brethren, my prayers and personal thanks are with you.

It was my privilege to attend the recent General Conference in Atlantic City, and I must say, that to me, it was the best, richest in spiritual depth, and the most spiritually rewarding general conference I have ever attended. I was more than thrilled with the forthrightness and straight-forward manner in which it was conducted. To me, it seems very good and Christ-like when brethren can get together to discuss vital issues and disagree without being disagreeable or wrong spirited. I appreciated the Christian way that the issues were discussed. The policy of "every man can have his say, but every man cannot have his way" is certainly a good one to follow.

We ask you to please look forward to posters and announcements of more HOME MISSIONS rallies in your area in the near future. In the meantime, I shall look forward to seeing each of you in Russellville next Monday thru Wednesday nights, November 11-13, for the fall district conference in the church pastored by our good Brother Baskerville.

Thank you very much for your prayers and support of HOME MISSIONS!! Continue to PRAY and GIVE monthly.

Yours in His Service,
James H. Cain
James H. Cain, Director
HOME MISSIONS DEPT. KY. DISTRICT UPC

Praise the Lord from Russellville!

We have been enjoying the blessing of God. Bro. & Sis. Tingley have been with us the past two Sundays in the absence of our pastor Bro. & Sis. Baskerville. We have enjoyed Bro. & Sis. Tingleys ministry both in word and song. We have also been having outstanding Bible teaching lately from Bro. Baskerville. All of our services have been real good because the Lord has been in our services, and presence to save and heal. Though there have been some sickness there is also Victory, through prayer. We feel the coming of the Lord is so very real so pray for us here that He will keep His hand upon us, that we may become overcomers.

"PERPLEXITY OF REPORT" - "As it was in the days of Noah, so shall it be at the coming of the son of man." "As it was in the days of Sodom and Gomorrah, so shall it be at the coming of the Son of man." The days we are living in resemble a striking resemblance to these former days. Destruction of these two periods were a result of their former sins. The perplexity of report is upon us. We no more than get a report of an earthquake until we hear of an airplane accident, train crash, storm, tornado, war or unusual happening. It is also possible that the world is on the verge of an epidemic and possible mass starvation.

"Because inequity shall abound the love of many shall wax cold." We are afraid to pick up a hitchhiker, don't know who is knocking on the door, lock our cars and homes and tend to suspicion strangers. Good old neighborliness seems to have vanished. What has happened to the bean stringings, house raisings, barn raisings, quilting bees, family get-togethers, and concern one for another? "Mens hearts failing them Luke 21:26. Heart attacks are taking an enormous toll of human life. Much of it caused by fear and our complex society. Unusual signs around us tend to indicate the coming of the Lord is near. In 1939 we saw the Northern Lights, then in 1949 the Flying Saucers reports came, then in 1959 we entered the space Program and plans for 1969 call for landing on the moon. Mans earthly age has about passed.

"In that day a man shall cast his idols of silver and his idols of gold, which they made each one for himself to worship, to the moles and the bats. "Idols will not deliver man in the days of the Lord's coming, Neither will they prepare him for the rapture.

The question was asked in Acts 2:38. "Men and brethern what shall we do to be saved? Peter said unto them Repent and be baptized everyone of you in the name of Jesus Christ and ye shall receive the gift of the Holy Ghost. "Truly this is the hope of the world, in these Perplexed times.

Dear Friend of Harvestime:

It is Thanksgiving time! Thanksgiving is associated with Harvestime, and Harvestime is associated with the preaching of the gospel world-wide. This is the time to hear the Macedonian cry, "Come and help us."

We are approaching the time of the annual Harvestime offering which is so vital to the maintenance of the Harvestime Radio Broadcast. It is the support of people like you that enables us to continue to expand, to increase, and to explore the great possibilities of reaching every nation with Bible salvation in this turbulent age.

Harvestime is a miracle in its origination, its continuation, and its propagation for the sake of the gospel. Let the miracle have a greater scope by sitting down today and sending us an offering. It will be very vital to us at this Thanksgiving time. We cannot continue without your substance and financial support, so please bless us with your kind, thoughtful consideration.

We are working for you and happy to do so. God bless you as you send your gift to the Harvestime Radio Broadcast today.

If you forgot
Harvestime during
Thanksgiving, please
remember them at
Christmas. Editor

THE QUESTION

Do we really need a new headquarters building at the present time?

THE ANSWER IS "YES!"

Above is an artist's conception of the proposed new building. Before we get involved in a discussion of "Do we need a new headquarters building?" we would like to recall some of the memories of the past. Come along and join us!
